

LEGISLATIVE BLUEPRINT: THE ECONOMY OF THE COURTS OF HEAVEN & THE DISCHARGE OF DEBT

DECREE & JUDICIAL FRAMEWORK

AUTHOR Apostle Kamau Mwangi	CORE LEGAL PREMISE The physical is a shadow of the spiritual. All financial bondage originates as a legislative breach in the unseen realm before manifesting as debt, poverty, or economic captivity in the physical.
JURISDICTION The Court of the Ancient of Days & Territorial Trading Floors	

SECTION I: THE JUDICIAL INDICTMENT (UNDERSTANDING THE ENEMY'S TACTICS)

1. The Principle of Spiritual Servitude

Proverbs 22:7: *"The rich rule over the poor, and the borrower is servant to the lender."*

Debt is not merely a mathematical deficit or a poor financial choice; it is a legal instrument of bondage utilized by the Shadow Government and the adversary to hijack divine mandates. Through generational bloodlines, commercial systems, institutional banking, credit facilities, and mobile loan applications, an illegal master-servant contract is established.

When an individual is bound by debt:

- **The Master-Slave Dynamic:** Everything a slave possesses legally belongs to the master. The debtor is stripped of autonomous resource allocation.
- **The Neutralization of Mandate:** A believer may operate at high prophetic and spiritual levels, yet remain financially incapacitated. The constant pressure of creditors—landlords, banks, business partners, and collection agents—operates as a secondary "lord" that neutralizes faith, causes chronic distraction, and induces fear.
- **The Sabotage of Worship:** A debtor is legally restricted from freely deploying capital for Kingdom advancement. The enemy ensures that the individual remains trapped in a perpetual loop of borrowing to pay debts, making it difficult to give offerings, tithes, and radical sacrifices as directed by the Spirit.

2. The Confession of Divided Allegiances

Isaiah 26:13: *"O Lord, our God, other masters besides You have ruled over us, but we will acknowledge and mention Your name only."*

Many believers confess the Lordship of Jesus yet live under the daily terror and subjugation of human or institutional lenders. This divided allegiance grants legal ground to economic taskmasters.

3. The Spiritual Prison and Intergenerational Transfer

Matthew 18:25, 30, 34: *"And because he could not pay, his master ordered him to be sold... and had him put in prison till he should pay the debt... and his master turned him over to the torturers (the jailers)..."*

Inability to clear financial obligations results in committal to spiritual debtor's prisons. A prisoner cannot produce wealth, work effectively, or escape captivity independently. Furthermore, without judicial intervention, these unliquidated spiritual and financial debts are systematically transferred as an inheritance of lack to the children and succeeding generations.

SECTION II: THE PROTOCOL OF THE COURTROOM OF HEAVEN

To break the cycle of debt, the case must be brought before the Supreme Court of the Universe. This requires a precise legal procedure:

STEP 1: FORMAL CONFESSION AND DISCLOSURE OF DEBTS IN THE COURTS

Bring every specific physical debt, mobile loan, commercial liability, and generational financial failure before the Judge of All the Earth. Hide nothing; lay the exact ledgers and amounts on the table of the Court.

STEP 2: THE JUDICIAL RELEASE OF DEBTORS (FORGIVENESS)

To receive cancellation from the Judge, you must clear your own personal ledger toward others. Formally release and forgive every individual, partner, or institution that owes you financial, emotional, or relational debts. Cancel their accounts in the spirit realm.

STEP 3: THE TRADING FLOOR & THE BLOOD SETTLEMENT

Colossians 2:13-14: *"And you, who were dead in your trespasses... He made alive together with Him, having forgiven us all our trespasses, having wiped out the handwriting of requirements that was against us... having nailed it to the cross."*

Present the Blood of Yeshua HaMashiach as the ultimate currency of redemption. Plead the Blood over every illegal financial contract, asking the Court to legally wipe out the handwriting of requirements and spiritual debts stacked against your lineage.

STEP 4: TRADING DEBT FOR FREEDOM

Execute a formal trade in the spirit realm: surrender the identity of a "servant to the lender" and petition the Court for the mantle of absolute financial freedom and sonship in Christ.

SECTION III: THE MELCHIZEDEK PRIESTHOOD & JURISDICTIONAL TRANSFER

STEP 5: TRANSFERRING ASSETS TO THE LION OF JUDAH

Declare before the Melchizedek Priesthood that all your possessions, assets, businesses, and future wealth are formally removed from the jurisdiction of the darkness and placed entirely under the Jurisdiction of the Lion of Judah.

Legal Note: If the enemy holds ungodly legal claims over your property or income, those assets cannot be effectively utilized to honor God or build His Kingdom. They must be legally redeemed and sanctified.

STEP 6: THE EMANCIPATION FOR WORSHIP

Psalms 137:3-4: *"For there they who led us captive required of us a song with words... How shall we sing the Lord's song in a strange land?"*

A captive cannot authentically worship or fund the purposes of God from a position of economic imprisonment. Petition the Lord Jesus Christ to open up divine, miraculous pathways for complete debt clearance, granting you the liberty to serve and honor Him without economic hindrance.

STEP 7: THE PHYSICAL TRADING OFFERING & THE WITNESS

Plant a physical Trading Offering on the earthly plane to serve as a legal witness and testimony in the trading floors of Heaven. By this act, proclaim that your wealth, finances, and economic future are permanently cast at the feet of Jesus.

Instruction: Honor all holy vows made before the Lord during this transaction.

SECTION IV: THE DECREE OF DEBT CANCELLATION & RESOURCE REPROGRAMMING

"I enter the Supreme Court of the Ancient of Days by the Blood of Yeshua HaMashiach. I bring the full ledger of my financial debts, my commercial obligations, and my generational loops of lack before Your bar of justice."

1. The Renunciation: *I renounce every master, system, and invisible creditor that has ruled over my life outside of Your Lordship. I sever the legal rights of credit apps, banks, and familial debt-systems to enslave my destiny.*

2. The Confession & Forgiveness: *I lay bare my financial liabilities before You. Simultaneously, I issue a blanket release and cancellation to every person who owes me. I clear their ledgers in my heart.*

3. The Blood Settlement: *I present the Blood of the Lamb as the supreme payment. I move for the total expunging and cancellation of every spiritual and physical debt tracking my bloodline. I demand the cell doors of the debtor's prison be opened wide.*

4. The Transfer of Jurisdiction: *I withdraw my life, my assets, my career, and my future productivity from the jurisdiction of the adversary and anchor them permanently under the Lion of Judah.*

5. The Decree of Clearance & Flow: *I receive the Grace for Debt Clearance and total cancellation. I command the flow of national and personal resources to be completely reprogrammed from the hands of the dark priesthood into the hands of the Kingdom.*

It is written, it is settled, and it is decreed in the Courts of Heaven. ♫ - ✕
